INDEPENDENT AUDITORS' REPORT

Board of Directors
Christian Living Communities
Greenwood Village, Colorado

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Christian Living Communities (the Organization), which comprise the consolidated balance sheets as of December 31, 2021 and 2020, the related consolidated statements of operations, functional expenses, changes in net assets, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of December 31, 2021 and 2020, and the results of their operations, changes in their net assets, and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for one year after the date the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and the *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on consolidated the financial statements as a whole. The consolidating balance sheets, statements of operations, changes in net assets, and cash flows are presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 23, 2022 on our consideration of the Organization’s internal control over financial reporting and on our tests of compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion of the effectiveness of the Organization’s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization’s internal control over financial reporting and compliance.

Nature of Operations (Continued)

- Rhythms provides homecare services to senior adults.
- CLC Eagle Point Holding, Inc. owns the home office for Christian Living Communities and leases space to outside entities.

During 2021 and 2020, upon the approval of the Christian Living Communities's Board of Directors, Christian Living Neighborhoods transferred approximately \$-0- and \$1,422,000, respectively, to Christian Living Communities. The purpose of the transfers were to capitalize the Christian Living Communities and provide funds for growth opportunities. The transfers are eliminated in the consolidation of the financial statements.

The Obligated Group for the outstanding tax-exempt bonds payable consists of Christian Living Neighborhoods.

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of Christian Living Communities, Christian Living Neighborhoods, CLC Dayspring Villa LLC, Christian Living Services dba: Cappella Living Solutions, Rhythms Home Care, LLC, Cappella Pueblo West, LLC, Cappella Grand Junction, LLC, and CLC Eagle Pointe Holding, LLC (the Organization). Intercompany accounts and transactions have been eliminated in consolidation.

Tax Status

Christian Living Communities and Christian Living Neighborhoods are exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and a similar provision for state law. However, the Christian Living Communities and Christian Living Neighborhoods are subject to federal income tax on any unrelated business taxable income. These three organizations are not aware of any activities that would jeopardize their tax-exempt status. Christian Living Communities is the sole member of CLC Dayspring Villa LLC, Rhythms Home Care, LLC, Cappella Grand Junction, LLC, and CLC Eagle Pointe Holding, LLC, which are considered a disregarded entities for income tax purposes.

CLS is a C corporation for federal income tax purposes. The provision for income taxes is based on amounts currently payable and those deferred because of temporary differences between the consolidated financial statements and the tax basis of assets and liabilities. Any income tax provision is included in other expenses on the consolidated statements of operations. CLS is the sole member of Cappella Pueblo West, LLC, which is considered a disregarded entity for income tax purposes.

Basis of Presentation

Net assets of the Organization and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Include net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. At times, the governing board can designate, from net assets without donor restrictions, net assets for a board-designated endowment or other purposes. At December 31, 2021 and 2020, the governing board has designated net assets of \$201,835, consisting of a board-designated endowment to support operations and amounts set aside for resident care.

Net Assets With Donor Restrictions – Include net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. At December 31, 2021 and 2020, the Organization held donor-imposed restrictions that were both temporary and perpetual in nature. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource has been fulfilled, or both.

Use of Estimates

The preparation of financial statements in conformity with auditing standards generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenue and expense during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Organization considers all money market accounts and certificates of deposit with original maturity dates of three months or less to be cash equivalents. Certificates of deposit are stated at cost, which approximates market value. The Organization deposits its temporary cash investments in financial institutions. At times, such investments may be in excess of the Federal Deposit Insurance Corporation insurance limit.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Resident Accounts Receivable

The Organization reports resident accounts receivable for services rendered at the estimated transaction price due from third-party payors, residents, and others. An allowance for doubtful accounts is provided based upon the review of outstanding receivables, historical collection information, and existing economic conditions. As a service to the resident, the Organization bills third-party payors directly and bills the resident when the resident's liability is determined. Resident accounts receivable are due in full when billed. Accounts are considered delinquent and subsequently written off as bad debts based on individual credit evaluation and specific circumstances of the account. As of December 31, 2021 and 2020, the allowance for uncollectible accounts was approximately \$299,000 and \$224,000, respectively.

Assets Limited as to Use

Assets limited as to use includes assets held by trustees, assets that are to be used by the residents of the Organization, a liquidity support agreement, board-designated funds, security, and other deposits being held for residents, and assets limited as to use by donors. Amounts required to meet current liabilities of the Organization are included in current assets.

Supply Inventories

Supply inventories are stated at the lower of cost or net realizable value, determined using the first-in, first-out method.

Investments and Investment Income

Investments in equity securities with readily determinable fair values and all investments in debt securities are measured at fair value in the consolidated balance sheets. The Organization classifies their investments as trading securities and accordingly investment income or loss (including realized and unrealized gains and losses on investments, interest, dividends, and fees) is included in excess (deficit) of revenues over expenses unless the income or loss is restricted by donor or law.

Property and Equipment

Property and equipment are recorded at cost and depreciated over their estimated useful lives by the straight-line method of depreciation. Assets under finance leases, if any, and leasehold improvements are depreciated over the shorter of the lease term or their respective estimated useful lives. The Organization capitalizes fixed assets with a cost greater than \$1,000 and a useful life greater than one year.

Gifts of long-lived assets such as land, buildings, or equipment are reported as additions to net assets without donor restrictions, and are excluded from excess (deficit) of revenues over expenses, unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, expirations of donor restrictions are reported when donated or when acquired long-lived assets are placed in service.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Construction in Progress

Construction in progress as of December 31, 2021 is primarily related to master planning costs for Someren Glen and renovations at Holly Creek. The Someren Glen project is currently in the planning phase and final costs have yet to be determined. The project is expected to start in fiscal year 2022 and be funded through a debt issuance. The Holly Creek renovations are being funded internally and expected to be completed in 2022 at a total cost of approximately \$1,000,000.

Deferred Financing Costs

Total financing costs of \$4,305,898 and \$4,718,772 are shown net of accumulated amortization of \$606,719 and \$876,075 as of December 31, 2021 and 2020, respectively. The deferred financing costs are being amortized using the effective interest method. Amortization expense for the years ended December 31, 2021 and 2020 was \$195,548 and \$191,049, respectively. During fiscal year 2021, the Organization wrote-off the remaining deferred financing costs related to the Series 2011 and Series 2012 Bonds that were refunded (see Note 7) and included the amount written-off in the loss on refinancing of long-term debt.

Investment in Joint Venture

The investment in joint venture is accounted for using the equity method of accounting. Under the equity method the Organization recognizes the original investment in the joint venture adjusted by the Organization's percentage of the joint ventures profit or loss and any contributions and distributions.

Goodwill

Goodwill relates to the acquisitions of Rhythms and Cappella Grand Junction, LLC by the Organization and represents the excess of the purchase price of the acquired business over the fair value of the assets acquired and liabilities assumed. Goodwill is not amortized, but instead tested for impairment at least annually. Measurement of goodwill impairment is based on the excess of the carrying value, including goodwill, over the fair value. At December 31, 2021 and 2020, the Organization has determined that there is no impairment of goodwill.

Deposits from Residents

Deposits from residents represent amounts received from prospective residents who either are holding signed agreements reserving a particular apartment or waiting for a specific type of apartment to become available. These deposits are recorded under the deposit method until the applicant signs a residency agreement and moves into the facility.

Deferred Revenue from Advance Fees

At Holly Creek Retirement Community and Clermont Park Retirement Community, fees paid by a resident upon entering into a resident contract, net of the portion thereof that is refundable, are recorded as deferred revenue and are amortized to income using the straight-line method over the life expectancy of the resident. The period of amortization is adjusted annually based on the actuarially determined remaining life expectancy of each individual resident or on the joint and last survivor life expectancy of each pair of residents occupying the same unit. The Organization relies upon an external actuary to calculate and track the entrance fees.

In consideration for an entrance fee and, thereafter, monthly service fees, the Organization provides individuals with a residence for the remainder of their lives. The original resident contract provided for a 90% refundable entrance fee upon death or move-out from the Independent Living Unit, after the first 10 months of residency. The contract offered a refund benefit that declined at 1% per month, but not to exceed 90% of the original entry fee. This refund was offered upon the earlier of (a) re-occupancy of the unit or (b) 180 days after the unit was vacated, whichever came first.

The contract was revised for all new residents, effective January 1, 2010. This revision changed the terms of the 90% refundable entrance fee upon death or move-out from Holly Creek, which defers refunding when the resident moves to a higher level of care. The contracts are refundable upon the earlier of re-occupancy of the unit or 180 days; unless upon death which it is refundable upon re-occupancy. Entrance fees are not refundable until a resident leaves their highest level of care at the Organization.

Clermont Park opened in February 2013 and residents were offered two contract options. The contract included a 50% or 90% refundable entrance fee option. The remaining terms of these contracts are consistent with the revised contract previously mentioned.

Should residents need to temporarily or permanently relocate to a higher level of care, they shall receive a discounted rate at Holly Creek, Clermont Park, or an alternative Christian Living Neighborhoods facility. The first 10 days at any higher level of care are free to Holly Creek and Clermont Park residents.

In the event of death or move-out after the above time period, the unamortized balance of the nonrefundable entrance fee is recognized as income. The estimated liability for refundable entrance fees is recorded based upon the Organization's experience of refunding such fees.

Future revenues are dependent on various actuarial assumptions, occupancy rates, and other matters that are subject to change.

The state of Colorado requires that the Organization refund the residents refundable fees within 180 days of termination of the agreement and not just on re-occupancy of the unit. When a refund is due to a resident's estate and the unit has been re-occupied within 180 days, the Organization will refund the balance owed to the estate in less than 180 days.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Deferred Revenue from Advance Fees (Continued)

Management has estimated a current portion of the amount of the remaining refundable balances as of December 31, 2021 and 2020 to be \$8,894,000 and \$8,832,000, respectively, based on the average refunds payable over prior years. This estimate includes actual refunds subsequent to year-end.

Obligation to Provide Future Services

The Organization has calculated the present value of the net cost of future services and use of facilities to be provided to current residents and compared that amount with the balance of deferred revenue from advance fees. If the present value of the net cost of future services and use of facilities exceeds the deferred revenue from advance fees, a liability is recorded (obligation to provide future service) with the corresponding charge to income. The obligation is discounted at 5.5% as of December 31, 2021 and 2020. The Organization's calculation indicated no liability needed to be recorded as of December 31, 2021 and 2020.

Advertising Expenses

Advertising expenses approximated \$441,000 and \$370,000 for the years ended December 31, 2021 and 2020, respectively. Advertising costs are expensed when incurred.

Expense Allocations

The costs of providing various programs have been summarized on a functional basis in the consolidated statements of functional expenses. Whenever feasible, expenses are charged directly to the appropriate program. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Costs are allocated using statistics (i.e. number of employees, square footage, etc.) that are related to the expenses incurred.

Excess (Deficit) of Revenues over Expenses

The consolidated statements of operations includes excess (deficit) of revenues over expenses. Changes in net assets without donor restrictions which are excluded from excess (deficit) of revenues over expenses, consistent with industry practice, include contributions of long-lived assets (including assets acquired using contributions which, by donor restriction, were to be used for the purposes of acquiring such assets).

Charity Care

Christian Living Communities strives to enhance life of seniors through offering high quality care and support through their retirement living communities and facilities. The Organization provides services to residents and the community regardless of their ability to pay for those services.

The Organization defines and measures this "investment in" and "partnership with" the community primarily through its benevolent care and community benefits programs. The Organization provides care to residents and clients who meet certain criteria under its financial assistance policy without charge. The key element used to determine eligibility is assessing the residents need based on a review of their assets and their monthly revenues and expenses. Because the Organization does not pursue collection of amounts determined to qualify for financial assistance, they are not reported as revenue.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Charity Care (Continued)

The Organization has estimated its direct and indirect costs of providing charity care under its financial assistance policy. In order to estimate the cost of providing such care, management has used actual costs and operational projections. Using this methodology, the Organization has estimated the costs foregone for services and supplies furnished under the Organization's financial assistance policy aggregated approximately \$623,000 and \$770,000 for the years ended December 31, 2021 and 2020, respectively.

The Organization receives donations under its benevolent care program and other fundraising efforts. For the years ended December 31, 2021 and 2020, the Organization received donations of approximately \$1,486,000 and \$644,000, respectively.

Uncompensated Balances

The Organization provided care to residents under the Medicaid program for which the costs to provide such care exceeds reimbursement. The Organization funds this difference through its operations. The shortfall associated for care provided under this program for the years ended December 31, 2021 and 2020 was approximately \$1,951,000 and \$1,685,000, respectively.

Fair Value of Financial Instruments

Fair value measurement applies to reported balances that are required or permitted to be measured at fair value under an existing accounting standard. The Organization emphasizes that fair value is a market-based measurement, not an entity-specific measurement. Therefore, a fair value measurement should be determined based on the assumptions that market participants would use in pricing the asset or liability and establishes a fair value hierarchy. The fair value hierarchy consists of three levels of inputs that may be used to measure fair value as follows:

Level 1 – Inputs that utilize quoted prices (unadjusted) in active markets for identical assets or liabilities that the Organization has the ability to access.

Level 2 – Inputs that include quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument. Fair values for these instruments are estimated using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows.

Level 3 – Inputs that are unobservable inputs for the asset or liability, which are typically based on an entity's own assumptions, as there is little, if any, related market activity.

In instances where the determination of the fair value measurement is based on inputs from different levels of the fair value hierarchy, the level in the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value of Financial Instruments (Continued)

Additionally, from time to time, the Organization may be required to record at fair value other assets on a nonrecurring basis in accordance with accounting principles generally accepted in the United States of America. These adjustments to fair value usually result from the application of the lower-of-cost-or-market accounting or write-down of individual assets.

The Organization also adopted the policy of valuing certain financial instruments at fair value. This accounting policy allows entities the irrevocable option to elect fair value for the initial and subsequent measurement for certain financial assets and liabilities on an instrument-by-instrument basis. The Organization has not elected to measure any existing financial instruments at fair value, however, may elect to measure newly acquired financial instruments at fair value.

Reclassifications

Certain items in the prior year consolidated financial statements have been reclassified to conform to current year presentation. These reclassifications had no effect on the Organization's overall net assets.

Subsequent Events

In preparing these consolidated financial statements, the Organization has considered events and transactions that have occurred through April 23, 2022, the date the consolidated financial statements were available for issuance.

NOTE 2 LIQUIDITY AND AVAILABILITY

The following table represents financial assets available for general expenditures within one year on December 31:

	<u>2021</u>	<u>2020</u>

NOTE 4 INVESTMENTS AND ASSETS LIMITED AS TO USE (CONTINUED)

Liquidity Agreement

In December 2015, Christian Living Communities entered into a liquidity support agreement with a nonaffiliated senior living organization (the Nonaffiliate). The liquidity support agreement was entered into with the Nonaffiliate to assist it with refinancing its outstanding bonds and to issue new debt to finance the construction of a new assisted living facility. Christian Living Communities has agreed to provide support to the Nonaffiliate up to \$1,000,000. The liquidity support can be reduced to \$500,000 for any fiscal year beginning on or after January 1, 2018 (initial reduction period) if certain occupancy and debt covenant requirements have been met by the Nonaffiliate. The liquidity support can be reduced to \$-0- for any fiscal year beginning after the initial reduction period if certain occupancy and debt covenant requirements have been met by the Nonaffiliate. There were no reductions of the liquidity required in fiscal years 2021 or 2020. The Nonaffiliate had entered into a management agreement with CLS to manage the new assisted living facility. During 2021, the Nonaffiliate expanded the management agreement and the Organization now manages the entire organization. The Nonaffiliate has not had to request any funds from the Organization under the liquidity support to date.

Investment Income

Investment income and gains for cash and cash equivalents, assets limited as to use, and investments are comprised of the following for the years ended December 31:

	2021	2020
Interest Income, Net of Investment Fees	\$ 1,106,366	\$ 997,426

Investment in CSP Holdings, LLC	\$ 242,762	\$ 242,762
Investment in Caring Communities	199,226	199,226
Total Investment in Affiliates	<u>\$ 441,988</u>	<u>\$ 441,988</u>

CSP Holdings, LLC

The Organization accounts for its investment in CSP Holdings, LLC under the equity method, as it has a 15.9% ownership interest and CSP Holdings, LLC identifies separate capital accounts. CSP Holdings, LLC was the sole member of Charitable Service Providers Reciprocal Risk Retention Group (CSPRRRG). CSPRRRG was a captive insurance corporation organized by and for the benefit of eldercare service providers that are similar in operation as the Organization. On January 1, 2015, CSPRRRG was changed to a reciprocal group captive and is now called Charitable Service Providers Reciprocal Group Captive.

CSP Holdings, LLC (Continued)

On January 1, 2017, the Organization joined another captive insurance company and left CSPRRRG. As a result the Investment in CSP Holdings, LLC will be paid back to the Organization over five years. The Organization received \$-0- during 2021 and 2020.

Caring Communities

On January 1, 2017, the Organization entered into a claims-made policy for professional liability through Caring Communities, a Reciprocal Risk Retention Group (Caring Communities) domiciled in the District of Columbia, USA, which provides professional liability, general liability, employee benefits liability, and excess employer's liability insurance to its members. The Organization was required to make capital contributions totaling \$-0- during 2021 and 2020. The capital contributions are recorded as an investment using the cost method on the consolidated balance sheets. Investments recorded at cost are assessed for impairment each year.

The Organization also pays annual amounts to Caring Communities for their professional liability insurance coverage. The policy calls for a \$-0- deductible per occurrence and liability limits of \$1,000,000 per occurrence and \$3,000,000 in the aggregate. Depending on loss history and adequacy of capital, Caring Communities may, but is not obligated, to return a portion of premiums paid. Conversely, the Organization may be called upon to contribute additional funds to maintain adequate capital in Caring Communities.

NOTE 6 INVESTMENT IN JOINT VENTURE

In December 2019, the Organization became a 25% owner-member of the Perennial Consortium, LLC (Perennial). The primary purpose of Perennial is to develop provider-owned institutional-based Medicare Advantage special needs plans in Colorado and Ohio. Perennial has three other unrelated 25% owners including Ally Align Health, a for-profit company primarily responsible for guiding the development, marketing, and all other third-party administration responsibilities required to operate a Medicare Advantage special needs plan. Certain prescribed funding commitments from all owners were established in the operating agreement.

Perennial Advantage of Colorado and Ohio began covering members lives on January 1, 2021. As of December 31, 2021 and 2020 CLC had made capital contributions to Perennial in the amount of \$179,492 and \$1,513,899, respectively. Total capital contributions to Perennial as of December 31, 2021 totaled \$1,743,391. During fiscal year 2021 the Organization recognized its share of the Perennial losses from operations in the amount of \$793,660. There were no distributions received by the Organization from Perennial during 2021 and 2020.

Bonds Payable, Series 2019 (Grand Junction)

On November 1, 2019, Cappella Grand Junction, LLC issued tax-exempt revenue bonds, Series 2019 (Grand Junction) in the amount of \$22,240,000. These bonds are secured under a separate Indenture of Trust from the Christian Living Neighborhoods Obligated Group. The net proceeds of the Series 2019 Bonds (Grand Junction) were used to acquire an assisted living facility in Grand Junction, Colorado. Proceeds were also used to pay issuance costs, fund a working capital fund, and fund a reserve fund for the Series 2019 Bonds (Grand Junction). The Series 2019 Bonds (Grand Junction) have principal payments due in varying amounts through December 1, 2054. Interest is payable semi-annually at 3.625% to 5.00%. Christian Living Communities has provided a liquidity support agreement up to a maximum amount of \$1,300,000 in relation to the Series 2019 (Grand Junction) debt issuance. The liquidity support can be reduced to \$650,000 if for four consecutive fiscal quarters (Initial Burn-Off Period) certain debt covenant requirements have been met by Cappella Grand Junction, LLC. The liquidity support can be reduced to \$-0- if after the Initial Burn-off Period the certain debt covenant requirements have been met for another four consecutive fiscal quarters.

Bonds Payable, Series 2016 (Obligated Group)

On October 1, 2016, the Organization issued tax-exempt revenue refunding bonds, Series 2016 in the amount of \$66,610,000. The net proceeds of the Series 2016 Bonds were used to refund the Series 2006 A Bonds and refund \$16,360,000 of the Series 2011 A Bonds. Proceeds were also used to pay issuance costs and fund a reserve fund for the Series 2016 Bonds. The Series 2016 Bonds have principal payments due in varying amounts through January 1, 2037. Interest is payable semi-annually at 1.25% to 5.00%.

Bonds Payable, Series 2012 (Obligated Group)

On October 25, 2012, the Organization issued tax-exempt revenue bonds, Series 2012 in the amount of \$49,195,000. The net proceeds of the Series 2012 Bonds were used to (a) refund the Series 2004 A and Series 2004 B-2 Bonds; (b) refund the Series 2006 B-1 Bonds, and (c) refund the Series 2009 Bonds. Proceeds were also used to pay issuance costs and fund a reserve fund for the Series 2012 Bonds. As part of the Series 2019 Bond Issuance, the Organization defeased \$20,635,000 of the outstanding Series 2012 Bonds and they are no longer recorded within the Organization's consolidated financial statements. As part of the Series 2021 Bond Issuance, the Organization defeased the remaining \$18,375,000 of the outstanding Series 2012 Bonds and they are no longer recorded within the Organization's consolidated financial statements.

Bonds Payable, Series 2011 (Obligated Group)

On November 2, 2011, the Organization issued tax exempt revenue bonds, Series 2011 A (Series 2011 Bonds), in the amounts of \$24,445,000. The net proceeds of the Series 2011 Bonds were used to pay the cost of constructing and equipping 74 new independent living apartments and a new adult day services building, renovating a portion of the existing independent living facility, and expanding the Town Center at the Clermont Park campus. Proceeds were also used to pay issuance costs and fund reserves. As part of the Series 2016 Bond Issuance, the Organization defeased \$16,360,000 of the outstanding Series 2011 Bonds and they are no longer recorded within the Organization's consolidated financial statements. As part of the Series 2021 Bond Issuance, the Organization defeased the remaining \$8,085,000 of the outstanding Series 2011 Bonds and they are no longer recorded within the Organization's consolidated financial statements.

The outstanding bonds, except for the Series 2019 Grand Junction bonds, are secured under the master trust indenture by a deed of trust, the assignment of leases and rents, and the gross revenues of the obligated group.

Mortgage Payable

On April 12, 2018, the Organization entered into a mortgage note payable for \$4,450,000 with a financial institution for the acquisition of land and building. The mortgage note payable bears interest at a fixed rate of 5.25% and matures on April 12, 2028. Principal and interest payments are due monthly in the amount of \$26,478. The mortgage note payable is secured by the property acquired under the mortgage note payable.

Aggregate annual maturities of long-term debt are as follows:

<u>Year Ending December 31,</u>	<u>Principal</u>
2022	\$ 2,970,632
2023	4,471,121

Restrictive Covenants (Continued)

The provisions of the Cappella Grand Junction, LLC Series 2019 Indenture of Trust described above contain various restrictive covenants that require certain measures of financial performance be satisfied as long as the bonds are outstanding. The financial covenant requirements start the earlier of the first quarter after stabilized occupancy has been achieved or after the first quarter ending after December 31, 2021.

The provisions of the mortgage payable described above requires certain measures of financial performance be satisfied as long as the mortgage payable is outstanding. Management believes the Organization is in compliance with such covenants at December 31, 2021.

Refinancing Transaction

In October 2021, the Organization refinanced its Series 2011 and 2012 Bonds through the issuance of the Series 2021 Bonds. The proceeds of the Series 2021 Bonds were used along with funds held by the trustee under the Series 2011 and 2012 bond issuances to refund the Series 2011 and 2012 Bonds, pay costs of issuance, fund a project fund, fund a common reserve fund, and to return cash to the Organization. As part of the refinancing transaction the Organization had to fund an escrow account to refund the Series 2011 and 2012 Bonds in January 2022 and wrote off the outstanding deferred financing costs and discount/premium related to the Series 2011 and 2012 Bond issuances. The refinancing transaction resulted in a loss on refinancing of \$947,339 which is included in the consolidated statements of operations.

NOTE 8 REFUNDABLE ADVANCE

On May 6, 2020, the Organization received a loan under the Small Business Administration's (SBA) Paycheck Protection Program (PPP) in the amount of \$4,140,600. The loan accrues interest at 1% with principal and interest payments due monthly starting either (1) the date the SBA remits the borrower's loan forgiveness amount to the lender or (2) if the borrower does not apply for loan forgiveness, 10 months after the end of the borrower's loan forgiveness covered period. The loan payments were due over 18 months. There are provisions under the PPP loan program where all or a portion of the loan may be forgiven based on certain requirements being met. On June 10, 2021, the SBA forgave the PPP loan in full and the Organization recognized the revenue in fiscal year 2021 which is included in other revenue on the consolidated statements of operations. The SBA may review funding eligibility and usage of funds for compliance with program requirements based on dollar thresholds and other factors. The amount of liability, if any, from potential noncompliance cannot be determined with certainty; however, management is of the opinion that any review will not have a material adverse impact on the Organization's financial position.

NOTE 9 NET ASSETS WITH DONOR RESTRICTIONS

At December 31, the Organization had net assets with donor restrictions for the following purposes:

	2021	2020
Subject to Expenditure for Specific Purpose:		
Benevolent Care	\$ 961,296	\$ 945,238
Scholarships	64,383	69,327
Shared Paid Time Off	60,068	61,173
Other Resident Needs	39,288	25,814
Total	1,125,035	1,101,552
Not Subject to Appropriation or Expenditure:		
Operating Endowment	690,274	690,274
Total Net Assets with Donor Restrictions	\$ 1,815,309	\$ 1,791,826

The Organization's endowment consists of funds not subject to appropriation or expenditure that were established to support the operations of the Organization. The endowment consists of donor-restricted endowment funds. As required by accounting principles generally accepted in the United States, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The Organization is subject to the Colorado Uniform Prudent Management of Institutional Funds Act (the Act) and, thus, classifies amounts in its donor-restricted endowment funds as net assets with donor restrictions to be held in perpetuity and requiring the preservation of the fair value of the original gift as of the date of the gift of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as net assets not subject to appropriation or expenditure: (1) the original value of gifts donated to the perpetual endowment, (2) the original value of subsequent gifts to the perpetual endowment, and (3) accumulations to the perpetual endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in net assets not subject to appropriation or expenditure is classified as net assets subject to expenditure until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed in the Act. In accordance with the Act, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The purposes of the Organization and the donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the Organization
- The investment policies of the Organization

Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or the Act requires the Organization to retain as a fund of perpetual duration. So-called underwater endowment funds (i.e., donor-restricted endowment funds for which the fair value of the fund is less than either the original gift amount or the amount required to be maintained by the donor or law) the aggregate amount by which funds are underwater, to be classified as part of net assets with donor restrictions. As of December 31, 2021 and 2020, there were no deficiencies reported in net assets without donor restrictions.

Return Objectives and Risk Parameters

The Organization has adopted an investment policy for their investment funds, including the permanent endowments that attempt to provide a balance of maintenance of adequate cash reserves, preservation of principal for funds designated as cash reserves, and growth of remaining assets within reasonable and prudent levels of risk. Endowment assets include those assets of donor-restricted funds that the Organization must hold in perpetuity. Under this policy, as approved by the board of directors, the endowment assets are invested in a manner that is intended to produce results that provide a total return, growth in income, and a predictive and dependable source of income.

NOTE 9 NET ASSETS WITH DONOR RESTRICTIONS (CONTINUED)

Strategies Employed for Achieving Results

To satisfy its capital appreciation and expected results, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation that places a balance of equity-based investments and fixed income investments to achieve its objectives within the risk constraints.

Spending Policy

The Organization has a policy (the spending policy) of appropriating for expenditure each year the investment return on the endowment funds. In establishing this policy, the Organization considered the long-term expected return on its endowment. This is consistent with the Organization's objective to maintain the purchasing power of endowment assets held in perpetuity or for a specified term.

NOTE 10 PENSION PLANS

Qualified Plan

The Organization has a 403(b) tax sheltered retirement plan covering substantially all employees. After two years of service, the employer has discretion to make contributions to the plan. The employer typically contributes a set percentage on an eligible employee's contributions. Pension expense was \$248,131 and \$225,666 for the years ended December 31, 2021 and 2020, respectively.

The Organization has a 457(b) deferred compensation plan for eligible members of management. There is no vesting period for the contributions made by the Organization to the plan. The Organization may make contributions to the plan as approved by the board of directors, whereby contributions can be made to the plan but are not to exceed the maximum deferral limit in a traditional 403(b) plan. The Organization typically contributes a set percentage on an eligible employee's contributions. The Organization contributed \$56,817 and \$49,302 for the years ended December 31, 2021 and 2020, respectively.

NOTE 11 SIGNIFICANT CONCENTRATIONS AND CREDIT RISK

The Organization grants credit without collateral to its residents. The mix of accounts receivable from residents and third-party payors at December 31 was:

	<u>2021</u>	<u>2020</u>
Medicare	19.0 %	15.0 %
Medicaid	16.0	18.0
Private Pay	39.0	40.0

NOTE 12 RESIDENT AND CLIENT SERVICES REVENUE

Resident and Client Services Revenue

Resident and client services revenue is reported at the amount that reflects the consideration to which the Organization expects to be entitled in exchange for providing resident care. These amounts are due from residents, third-party payors (including health insurers and government programs), and others and includes variable consideration for retroactive revenue adjustments due to settlement of audits, reviews, and investigations. Generally, the Organization bills the residents and third-party payors several days after the services are performed. Revenue is recognized as performance obligations are satisfied.

Performance obligations are determined based on the nature of the services provided by the Organization. Revenue for performance obligations satisfied over time is recognized based on actual charges incurred in relation to total expected (or actual) charges. The Organization believes that this method provides a faithful depiction of the transfer of services over the term of the performance obligation based on the inputs needed to satisfy the obligation. Generally, performance obligations satisfied over time relate to residents in the facility receiving skilled nursing services or housing residents receiving services in the facility. The Organization considers daily services provided to residents of the skilled nursing facility, and monthly rental for housing services as a separate performance obligation and measures this on a monthly basis, or upon move-out within the month, whichever is shorter. Nonrefundable entrance fees are considered to contain a material right associated with access to future services, which is the related performance obligation. Revenue from nonrefundable entrance fees is recognized ratably in future periods covering a resident's life expectancy using a time-based measurement.

The opening and closing contract balances were as follows:

	Resident Receivables
	<hr/>
Balance as of January 1, 2020	\$ 2,825,069
Balance as of December 31, 2020	2,816,614
Balance as of December 31, 2021	2,607,378
	Deferred Revenue from Advance Fees
	<hr/>
Balance as of January 1, 2020	\$ 7,741,502
Balance as of December 31, 2020	8,223,880
Balance as of December 31, 2021	8,696,794

Revenue for performance obligations satisfied at a point in time is generally recognized when goods are provided to the residents and customers in a retail setting (for example, gift shop, salon, transportation, and cafeteria meals) and the Organization does not believe it is required to provide additional goods or services related to that sale.

CHRISTIAN LIVING COMMUNITIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 12 RESIDENT AND CLIENT SERVICES REVENUE (CONTINUED)

Resident and Client Services Revenue (Continued)

Because all of its performance obligations relate to contracts with a duration of less than one year, the Organization has elected to apply the optional exemption provided in FASB ASC 606-10-50-14(a) and, therefore, is not required to disclose the aggregate amount of the transaction price allocated to performance obligations that are unsatisfied or partially unsatisfied at the end of the reporting period.

The Organization determines the transaction price based on standard charges for goods and services provided, reduced by explicit price concessions provided to third-party payors, discounts provided to uninsured patients in accordance with the Organization's policy and/or implicit price concessions provided to residents. The Organization determines its estimates of explicit price concessions based on contractual agreements, its policies, and historical experience. The Organization determines its estimate of implicit price concessions based on its historical collection experience.

The Organization recognizes the majority of its revenues over a period of time from its payors based on fees for services performed. Agreements with third-party payors typically provide for payments at amounts less than established charges. A summary of the payment arrangements with major third-party payors follows:

Medicaid

The skilled nursing facilities participate in the Medicaid program administered by the Colorado Department of Health Care Policy and Financing. The Medicaid rates are established prospectively; based on the facility's annual cost report; subject to limitations for the health care related services; administration is based on a price and the capital component is based on the fair rental allowance system. The direct health care related services component is adjusted quarterly, based on the facility's resident acuity.

Medicare

The licensed nursing facility participates in the Medicare program. This federal program is administered by the Centers for Medicare and Medicaid Services (CMS). The nursing facility is paid under the Medicare Prospective Payment System (PPS) for residents who are Medicare Part A eligible and meet the coverage guidelines for skilled nursing facility services (SNFs). The PPS is a per diem price-based system. Annual cost reports are required to be submitted to the designated Medicare Administrative Contractor; however, they do not contain a cost settlement. On October 1, 2019, the Patient Driven Payment Model (PDPM) reimbursement system became effective. Under PDPM, therapy minutes are removed as the primary basis for payment and instead uses the underlying complexity and clinical needs of a patient as a basis for reimbursement. In addition, PDPM introduces variable adjustment factors that change reimbursement rates during the resident's length of stay.

Nursing facilities licensed for participation in the Medicare and Medical Assistance programs are subject to annual licensure renewal. If it is determined that a nursing facility is not in substantial compliance with the requirements of participation, CMS may impose sanctions and penalties during the period of noncompliance. Such a payment ban would have a negative impact on the revenues of the licensed nursing facility.

NOTE 12 RESIDENT AND CLIENT SERVICES REVENUE (CONTINUED)

Resident and Client Services Revenue (Continued)

Other

Payment agreements with certain commercial insurance carriers, health maintenance organizations, and preferred provider organizations provide for payment using prospectively determined daily rates.

Settlements with third-party payors for retroactive adjustments due to audits, reviews, or investigations are considered variable consideration and are included in the determination of the estimated transaction price for providing patient care. These settlements are estimated based on the terms of the payment agreement with the payor, correspondence from the payor, and the Organization's historical settlement activity, including an assessment to ensure that it is probable that a significant reversal in the amount of cumulative revenue recognized will not occur when the uncertainty associated with the retroactive adjustment is subsequently resolved. Estimated settlements are adjusted in future periods as adjustments become known (that is, new information becomes available), or as years are settled or are no longer subject to such audits, reviews, and investigations. Adjustments arising from a change in an implicit price concession impacting transaction price, were not significant in 2021 or 2020.

Generally residents who are covered by third-party payors are responsible for related deductibles and coinsurance, which vary in amount. The Organization estimates the transaction price for residents with deductibles and coinsurance based on historical experience and current market conditions. The initial estimate of the transaction price is determined by reducing the standard charge by any contractual adjustments, discounts, and implicit price concessions. Subsequent charges to the estimate of the transaction price are generally recorded as adjustments to resident and client services revenue in the period of the change. Additional revenue recognized due to changes in its estimates of implicit price concessions, discounts, and contractual adjustments were not considered material for the years ended December 31, 2021 and 2020. Subsequent changes that are determined to be the result of an adverse change in the resident's ability to pay are recorded as provision for uncollectible accounts.

The Organization has determined that the nature, amount, timing, and uncertainty of revenue and cash flows are affected by the following factors: payors, geography, service lines, method of reimbursement, and timing of when revenue is recognized. Tables providing details of these factors are presented below.

The composition of resident services revenue by primary payor for the years ended December 31 is as follows:

	<u>2021</u>	<u>2020</u>
Medicaid	\$ 7,611,966	\$ 6,927,915
Medicare	4,916,007	3,934,071

NOTE 12 RESIDENT AND CLIENT SERVICES REVENUE (CONTINUED)

Resident and Client Services Revenue (Continued)

Revenue from residents' deductibles and coinsurance are included in the categories presented above based on the primary payor.

The composition of resident services revenue by service line for the years ended December 31 is as follows:

	2021	2020
Independent Living	\$ 22,506,254	\$ 22,232,322
Assisted Living	18,163,555	18,240,879
Skilled Nursing	22,711,201	21,399,133
Home Care	3,089,816	3,697,864
Total	<u>\$ 66,470,826</u>	<u>\$ 65,570,198</u>

Financing Component

The Organization has elected the practical expedient allowed under FASB ASC 606-10-32-18 and does not adjust the promised amount of consideration from residents and third-party payors for the effects of a significant financing component due to the Organization's expectation that the period between the time the service is provided to a resident and the time that the resident or a third-party payor pays for that service will be one year or less. However, the Organization does, in certain instances, enter into payment agreements with residents that allow payments in excess of one year. For those cases, the financing component is not deemed to be significant to the contract.

Contract Costs

The Organization has applied the practical expedient provided by FASB ASC 340-40-25-4 and all incremental customer contract acquisition costs are expensed as they are incurred as the amortization period of the asset that the Organization otherwise would have recognized is one year or less in duration.

NOTE 13 LEASES

The Organization's operating leases primarily consist of real estate for various terms under long-term, noncancelable lease agreements. The Organization determines if an arrangement is a lease at contract inception. Right-of-use assets and operating lease liabilities are recognized based on the present value of the lease payments over the lease term at the commencement date. Because most of the Organization's leases do not provide an implicit rate of return, the Organization uses a risk-free rate based on the daily treasury yield curve at lease commencement in determining the present value of lease payments.

CHRISTIAN LIVING COMMUNITIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 13 LEASES (CONTINUED)

Most leases include one or more options to renew, with renewal terms that can extend the lease term another five years. The exercise of such lease renewal options is at the Organization's sole discretion. For purposes of calculating operating lease liabilities, lease terms include options to extend or terminate the lease when it is reasonably certain that the Organization will exercise the option.

Leases with a lease term of 12 months or less at commencement are not recorded on the consolidated balance sheets. Lease expense for these arrangements is recognized on a straight-line basis over the lease term. The Organization has elected not to separate nonlease components from lease components and instead accounts for each separate lease component and the separate nonlease component as a single lease component.

Lease expense for lease payments is recognized on a straight-line basis over the lease term. Operating lease expense for the years ending December 31, 2021 and 2020 was \$705,998 and \$901,569, respectively. Lease expense is included in administrative expenses on the consolidated statements of operations.

As of December 31, 2021 and 2020, the weighted average remaining lease term was 9.50 and 12.9 years, respectively, and the weighted average discount rate was 0.50% and 0.49%, respectively.

The following table summarizes the maturity of the operating lease liabilities for the next five years and the years thereafter, as of December 31, 2021:

<u>Year Ending December 31,</u>	<u>Amount</u>

Operating Leases – Lessor

The Organization assumed various lease agreements as part of the purchase of CLC Eagle Pointe, LLC were the Organization is obligated to receive monthly payments ranging from approximately \$5,000 to \$17,000 through various lease expirations through August 2030. A summary of future minimum operating lease receipts under these leases is a follows:

<u>Year Ending December 31,</u>	<u>Amount</u>
2022	\$ 242,903
2023	145,386
2024	64,564
2025	66,501
2026	68,496
Thereafter	268,951
Total	<u><u>\$ 856,801</u></u>

Total rental income for the years ended December 31, 2021 and 2020 was approximately \$317,000.

Litigation

The Organization is subject to asserted and unasserted claims encountered in the normal course of business. The Organization’s management and legal counsel assess such contingent liabilities and such assessment inherently involves an exercise in judgment. In assessing loss contingencies related to legal proceedings that are pending against the Organization or unasserted claims that may result in such proceedings that are pending against the Organization or unasserted claims that may result in such proceedings, the Organization legal counsel evaluates the perceived merits of any legal proceedings or unasserted claims as well as the perceived merits of the amount of relief sought or expected to be sought therein. In the opinion of management, disposition of these matters will not have a material effect on the Organization’s financial condition or results of operations.

Medical Malpractice Coverage

The Organization pays fixed premiums for annual professional liability insurance coverage under a claims-made policy. There were no claims outstanding at December 31, 2021 and 2020 and the Organization is not aware of any unasserted claims or unreported incidents that are expected to exceed malpractice insurance coverage limits.

Employee Health Insurance

On January 1, 2020, the Organization became self-funded for health insurance. The Organization's employees and their dependents are eligible to participate in the Organization's employee health insurance plan. The Organization is partially self-insured for health claims of participating employees and dependents up to an annual aggregate amount of \$100,000 per claim. Commercial stop-loss insurance coverage is purchased for claims in excess of the aggregate annual amount. A provision is accrued for self-insured employee health claims including both claims reported and claims incurred but not yet reported. The provision is included in accrued expenses on the consolidated balance sheets. The accrual is estimated based on consideration of prior claims experience, recently settled claims, frequency of claims, and other economic and social factors. It is reasonably possible that the Organization's estimate will change by a material amount in the near term.

COVID-19 Pandemic

During fiscal year 2020, the World Health Organization declared the spread of Coronavirus Disease (COVID-19) a worldwide pandemic. The COVID-19 pandemic is having significant effects on global markets, supply chains, businesses, and communities. Specific to the Organization, COVID-19 may impact various parts of its fiscal year 2022 operations and financial results including but not limited to additional costs for emergency preparedness, disease control and containment, potential shortages of health care personnel, or loss of revenue due to reductions in certain revenue streams. Management believes the Organization is taking appropriate actions to mitigate the negative impact. However, the full impact of COVID-19 is unknown and cannot be reasonably estimated as of December 31, 2021.

As part of the Organization's response to the COVID-19 pandemic, it received payments from the CARES Act Provider Relief Fund (PRF), which is administered by the U.S. Department of Health and Human Services. The Organization received PRF payments in the amount of \$272,145 and \$1,618,319 in 2021 and 2020, respectively, and fully recognized the amounts. The revenue recognized is included in other revenue on the consolidated statements of operations. The PRF payments have terms and conditions that the Organization is required to follow and these funds are subject to audit. As part of the PRF terms and conditions, amounts received by the Organization could potentially be recouped if not spent in full or if the amounts are not spent in accordance with the terms and conditions. Management believes the amounts have been recognized appropriately as of December 31, 2021 and 2020.

NOTE 15 FAIR VALUE MEASUREMENTS

The Organization uses fair value measurements to record fair value adjustments to certain assets and to determine fair value disclosures. For additional information on how the Organization measures fair value, refer to Note 1 – Summary of Significant Accounting Policies.

The following methods were used to estimate the fair value of all other financial instruments recognized in the accompanying consolidated balance sheets at amounts other than fair value.

Assets Limited as to Use and Investments

The fair values of the investments and assets limited as to use are estimated based on quoted market prices for those or similar investments.

The following tables present the fair value hierarchy for the balances of the assets of the Organization measured at fair value on a recurring basis as of December 31:

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Board of Directors
Christian Living Communities
Greenwood Village, Colorado

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Christian Living Communities (the Organization), which comprise the consolidated balance sheet as of December 31, 2021, and the related consolidated statements of operations, functional expenses, changes in net assets, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated April 23, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

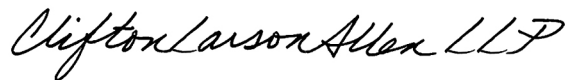

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization’s consolidated financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of Christian Living Communities internal control or compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Christian Living Communities internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
